

International Conference on Sustainable Coral Reefs

"Science, Conservation, Resilience and Development"

Grand Kawanua, Novotel Manado, Indonesia,
13th - 15th of December 2024

Message from The Coordinating Minister

COORDINATING MINISTER FOR MARITIME AFFAIRS AND INVESTMENT REPUBLIC OF INDONESIA

Ref No. : B-1901/MENKO/DM.00/V/2024
Subject : Letter to Support and Participate in The International Conference
on Sustainable Coral Reefs 2024 in Manado, Indonesia

18 May 2024

To Whom It May Concern

The Coral Triangle, a vast area covering 75,000 square kilometers of coral reefs, spanning six countries (Indonesia, Malaysia, Philippines, Timor Leste, Papua New Guinea, Solomon Islands) is a region of unparalleled marine biodiversity, known also as *"Amazon of The Sea"*. The Coral Triangle is widely recognized as a global epicenter of marine biodiversity, making significant contributions to the overall richness and diversity of marine life on a global scale.

Recognizing the importance of this Coral Triangle region and in the occasion of "The Nusantara Day 2024" commemoration, the Government of Indonesia is set to organize The International Conference on Sustainable Coral Reefs 2024, during 13 - 15 December 2024 in Manado, Indonesia, known as the *"Coral Reefs Capital of The World"*. Theme of the Conference is *"Sustaining Coral Reefs: Science, Conservation, Resilience and Development"*, by bringing together experts, policymakers, and stakeholders from around the world, the conference aims to foster collaboration, knowledge sharing, and the development of practical solutions to safeguard the Coral Triangle for future generations. The conference will serve as a platform to raise awareness, share best practices, and mobilize support for the preservation and sustainable utilization of this vital marine ecosystem.

We look forward to your participation and contribution to the success of the International Conference on Sustainable Coral Reefs 2024, in Manado, Indonesia.

Sincerely,

Luhut Binsar Pandjaitan
Coordinating Minister for Maritime Affairs and Investment
Republic of Indonesia

CC.: President of The Republic of Indonesia.

LUHUT BINSAR PANDJAITAN
Coordinating Minister for Maritime Affairs
and Investment Republic of Indonesia

VISION

Indonesia as the center of excellence in implementing best practices of coral reefs ecosystem management

MISSION

Providing researches, knowledge, public awareness, conservation and sustainable utilization of coral reefs ecosystem

VALUE

Making coral reefs one of the most important elements in the marine ecosystem and support for economical development

Objectives

Recognizing the importance of this Coral Triangle region and in the occasion of "The Nusantara Day 2024" commemoration, the Government of Indonesia is set to organize **The International Conference on Sustainable Coral Reefs 2024, during 13th – 15th of December 2024 in Manado, Indonesia.** Theme of the Conference is "**Sustaining Coral Reefs: Science, Conservation, Resilience and Development**", by bringing together experts, policymakers, and stakeholders from around the world. The conference aims to foster collaboration, knowledge sharing, and the development of practical solutions to safeguard the Coral Triangle for future generations. This will serve as a platform to raise awareness, share best practices, and mobilize support for the preservation and sustainable utilization of this vital marine ecosystem in CTI countries which consists of Indonesia, Malaysia, Philippines, Papua New Guinea, Solomon Islands, and Timor-Leste.

CTI Center

The City of Manado is known for its beautiful natural attractions, including the Bunaken Marine National Park, which is famous for its diverse marine life and coral reefs. Other main attractions include the Likupang Marine Park, Lake Tondano, Mount Lokon and the traditional market in Tomohon.

Manado <http://360.manadokota.go.id/>

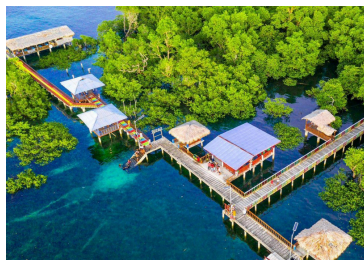

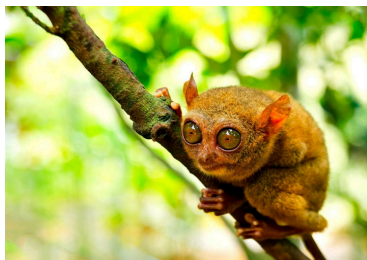

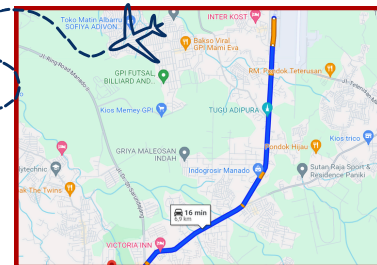

In 2009, three International events were held in Manado, namely The World Ocean Conference attended by approximately 5000 participants from 87 countries, The Coral Triangle Initiative Summit attended by six Presidents and Head of Governments, and Sail Bunaken 2009 participated by naval ships and yachts coming from nine countries. This city is also the headquarters of the Coral Triangle Regional Secretariat.

CONFERENCE VENUE

KAWANUA BALLROOM, NOVOTEL MANADO

TOURISM DESTINATION

1. Bunaken National Marine Park
2. Tondano Lake
3. Budo Village - Mangrove Conservation
4. Wildlife Park - Tandurusa
5. etc

Opening Speech

The President of
The Republic of Indonesia
(To Be Advised)

Speakers

Representative from The Ministry for Maritime Affairs and Investment,
Republic of Indonesia

Representative from The Ministry of Tourism and Creative Economy,
Republic of Indonesia

The Gala Dinner will be attended by VVIP/VIP guests and Provincial Government Officials.

This exhibition will involve Micro, Small, and Medium Enterprises (MSMEs) nationally as well as the North Sulawesi Provincial Government.

International Conference

Gala Dinner

MSMEs Exhibition

Conference Topics

The primary topics to be addressed are as follows:

1

Science & Innovation for Coral Reef Conservation

5

Economic Valuation and Sustainable Financing for Coral Reef Conservation

9

Global and Local Culture, Capacity Building for Coral Issues

2

Community Engagement, Empowerment Food & Security

6

Technological Advances and Tools for Monitoring and Managing Coral Reefs

10

Policy Development, Governance and Effective Implementation of Spatial Management of Coral Reefs

3

Climate Change Impacts, Adaptation and Pollution Control Strategies for Coral Reefs

7

Coral Reefs for the Advancement of Pharmaceutical Science & Industry

11

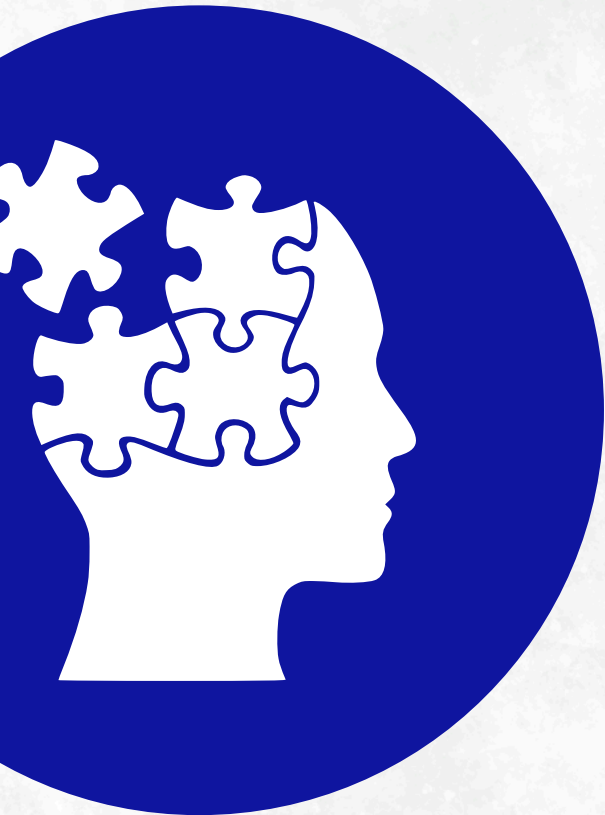

Capacity Development on Sustainable Coral Reefs

4

Restoration & Rehabilitation of Degraded Coral Reef Ecosystems

8

Global Collaboration across the Convention on Biological Diversity's Biodiversity Plan

Target Participants:

- International (Public & Private)
- National (Public & Private)
- Sulawesi Utara, Sulawesi Tenggara, Kepulauan Riau, Bangka Belitung, Maluku, Maluku Utara, Nusa Tenggara Barat, dan Nusa Tenggara Timur Provinces
- CTI Countries
- Donor and lending agencies (Bilateral and Multilateral)
- Non-Governmental Organizations (NGOs)

International Conference on Sustainable Coral Reefs seeks to foster collaboration, inspire action, and drive positive change for the future of coral reef ecosystems. We encourage researchers, practitioners, and experts in the field of coral reef conservation and management to contribute their knowledge and expertise to this important conference.

Call for Abstracts

The International Conference on Sustainable Coral Reefs, will be held in Manado, Indonesia from the 13th to the 15th of December 2024. Researchers, scientists, practitioners, policymakers, including stakeholders from around the world are invited to submit abstracts and papers for presentation at this prestigious event. The conference will provide a platform for the exchange of knowledge, experiences, and innovative solutions aimed at addressing the challenges facing coral reef ecosystems and advancing coral reef conservation and management.
